SCREWFIX HELPS TO TACKLE UNRULY LAWNS THIS SUMMER!

This season Screwfix has added an additional 11 mowers to the top branded range that includes everything from electric mowers for small lawns, to tractor mowers for paddocks.

The new additions include the renowned Mountfield and Homelite brands, as well as Big Bear, and innovative Bosch mowers. Great news for keen gardeners looking for a professional and quality finish to their lawns this summer and at a great price too!

Matt James, Screwfix product specialist says: "Each mower has been carefully selected to ensure that, as well as being good quality and reliable, they are also great value. There's a product in the range to suit almost any garden and situation, and delivery on many of the mowers, direct to your door next day, is free."

Mountfield

With over 50 years in the business Mountfield has a reputation for quality, reliable products.

Available at a special price of £195.73 (86440) in the latest Screwfix Catalogue (97), the Mountfield Multiclip 501HP petrol mower is a fantastic addition to the range. Its 48cm steel deck has a mulching system that cuts and re-cuts grass into small pieces and blows them to the base of the turf - returning nutrients to the soil, and saving time, money and effort in grass collection.

Other additions include the Big Bear Electric Mower exclusive to Screwfix priced at only £89.88 (44891); the Lithium-ion battery powered Bosch Rotak 34 which has no cords or engine to slow you down at £248.67 (66068)

Don't miss the special offer on the Bosch Rotak 43 electric mower with 'grass combs' that allows clean cutting right up to edges for only £126.59 (58981) in Catalogue 97.

Screwfix is also home to a wide variety of gardening tools including chainsaws, trimmers, pruners, shredders, shovels and spades allowing you to cut, shape and shred.

The new exciting arrivals will be available from Screwfix from 16 March by clicking on to www.screwfix.com, calling 0500 41 41 41 or by popping in to your local branch.

About Screwfix

Screwfix is the UK's leading supplier of tools, accessories, hardware products and building materials to the trade, delivering millions of products to building professionals and DIY enthusiasts every year.

Customers can shop at local Screwfix branches, via the web or by phone via the Screwfix National Contact Centre.

The Screwfix operation is supported by the famous Screwfix catalogue – the key reference source of the trade - which is updated on a quarterly basis. The catalogue is the most comprehensive resource for products – from screws to roofing materials to power tools – in the UK.

The product range includes 16,000 stock lines and more products are being added weekly. Screwfix offers a 30 day no quibble refund on all unused products, should you change your mind.

CALL

With over 30 years experience in the industry, Screwfix offers next-day parcel delivery to tradesmen, building sites, handymen and serious DIY professionals throughout the UK, dispatching over 15,000 parcels per day.

At Screwfix, customer service is a major priority. The Screwfix National Contact Centre won the European Call Centre 'Best Customer Experience' Award in 2006.

CLICK

The Screwfix website, www.screwfix.com, and national call centre, 0500 41 41 41, offer swift, professional access to products for next day delivery.

The Screwfix website also features the famous tradesman's forum, where building professionals and serious DIY enthusiasts share information and technical advice on a wide range of topics.

VISIT

A national network of 140 local Screwfix branches offers tradesmen – and DIY enthusiasts in the know - immediate access to an enormous range of building essentials at unrivalled prices.
